Classes with an attendance of 5 or less will be rescheduled

 **Tai Chi** "Meditation in Motion", Tai Chi uses slow graceful movement along with body alignment and deep mental focus. The aim of Tai Chi is to reduce stress, increase energy, strength and flexibility and focus.

 **Barre vs Pilates** Styles of Pilates & Ballet combine together to create a class style that will tone your body. Non-Impact and gentle on your joints.

 **Sport** Designed to push your training to the edge & fine tune your body, emphasising on Cardio, STRENGTH & CORE training. SPORT is for all fitness levels. Whitehall is where real fitness happens, where everyone is an athlete!

 **Spin** **20 people maximum** Spin is an intense cardio class on a stationary bicycle that enhances cardiovascular fitness and improves muscle tone and exercise endurance. Spinning works various muscle groups. **Spin Core** is 30 minute cardio with 15 minutes of core concentrated workouts. **One Spinner will be available when class is not in session.**

 **Aqua Fit** Conducted in waist to chest deep water, this class utilizes the waters buoyancy as resistance. Equipment such as aqua dumbbells, noodles and/or other flotation devices can be incorporated in this class. Aquatic classes can improve strength and flexibility and endurance. Lane expands with 7 or more members in class.

 **Yoga (all levels)** Yoga helps you understand the principals of alignment, while moving safely into and out of postures that also incorporate breath work, centering and awareness of inner sensations, thoughts and emotions. Each student is encouraged to work at his or her own level to develop a personal practice. You are invited to join the class even if you do not practice Yoga.

 **CoreStrength** Classes that are designed to move you through an extra hard full body workout. Each class gives a different perspective of your workout to strengthen, define & increase lean muscle. Come to class regularly to maximize your workouts!

 **Body Jam** A total body workout focusing on 2-3 different muscle groups each week. Therabands, tubing & bodyweight will be your accessories

 **Zumba** Sweat Latin-style... Invigorate your cardio workout in this fun class to a mix of Latin music. From Salsa & Merengue to Reggaeton & Hip Hop, this workout routine incorporates every muscle of your body. **Fitness/Toning** - Just like back in the Club days-a 55 minute cardio with a 30 minute toning followed by a cool down.

STRONG by ZUMBA – builds on muscular strength.
ZUMBA Sentao – builds on muscular strength & dance with a chair.

 **Silver Dance Fit / Silver Functional Fitness**
Silver Dance Fit / Silver Trio
Silver Functional Fitness / Silver Chair Yoga

Silver Classes are designed for seniors and recovered injuries. The use of a chair gives you stability and assistance which allows you to focus on postural muscles without strain. The chairs are recommended when standing but are optional. These classes can incorporate light equipment such as bands and dumbbells. A low impact cardio warm up is performed in all classes. Low Impact strength training for an all over workout using the "core" muscles which are used to assist and give stability to your workout. This class requires the use of chairs, weights and other various accessories.

 **Classic Pilates** This class emphasizes flexibility and overall strength over body bulk. Pilates is a popular regimen that uses special stretches and breathing. Build the core postural muscles, Lengthen & Trim while building lean muscle. This class is performed on a mat and can incorporate light equipment. **No sneakers required**

 **Power Lunch** This mid-day workout is a great addition to your fitness routine. The class consists of strength & toning exercises using your own body weight & dumbbells. Immediately following this class is your... **Stretch Dessert** Complete your workout with a relaxing total body stretch!

 **Bounce Strength & PlyoFit Bounce** **12/10 people max** Bounce on Tuesday is a great day to try it! Learn safety & proper use, the benefits & unique aspects of the trampoline. Explore this fun new exercise to experience total body fitness using every muscle. This exciting workout includes core-building techniques & high intensity cardio to burn calories with low impact & powerful potential.

Thursdays offer a new training concept with a rigid structure incorporating a combo of endurance & power set in varying degrees. The use of equipment, dance elements & exercise techniques supplement this class.

 **Body Bar** "Strong for Life" – Intense overall body strength workout. Expect to work hard encouraging maximum muscle engagement. Barbells are the accessory of choice.

 **Aeroculpt** 30 minute Cardio workout followed by 45 minute variety of strength and core conditioning using . Be prepared for an invigorating, fun and diverse workout.

 **Stability Ball Yoga (all levels)** Using the practice of Yoga while using a stability ball incorporates your core muscles helps you understand the principals of alignment, while moving safely into and out of postures that also incorporate breath work. Each student is encouraged to work at his or her own level to develop a personal practice.

 **UGI** This class is designed to target the muscle groups with exercises that become increasingly more difficult.
